Fundraising statement

Donations to Sing Inside are assumed to be unrestricted. Unless you specify that you would like your donation to be restricted to a certain area of our work (eg. restricted to a specific area, or a particular prison partnership), funds raised will support all activity involved in the running of Sing Inside. This includes direct workshop costs like travel and music purchase, as well as overhead costs that are essential to running the organisation effectively. Our first annual report and accounts will be published in mid 2020, detailing the proportion of expenditure in different areas. If you have any further questions in the meantime about how your money will be used, please contact Maisie.
